• NO SCHEDULED JULY SHUTDOWN WEEK

Per Paragraph 202a of the 2019 National Agreement, during the first full week of February each year, the local Management will notify the Shop Committee of its decision to schedule one (1) Plant Vacation Shutdown Week. For locations not in launch, where a Plant Vacation Shutdown Week is to be scheduled, such week will be scheduled during the week containing the July 4th holiday.

The company informed us today that this year there will be *no shut down week*, therefore you should apply for all of your vacation with this in mind.
