Re: Organization Announcement

Please see the following organizational changes:

After 25 years of dedicated service to GM, Lisa Peters, currently Assistant Plant Manager at Orion Assembly will retire effective April 1, 2023. Lisa joined General Motors in 1998 as a Maintenance General Supervisor at Toledo Transmission. From there, she held a variety of positions in several locations, including the Wixom Performance Build Center, Livonia Engine, Romulus Engine, Warren Tech Center and Flint Engine before she transitioned to Orion Assembly in 2020. Lisa started at Orion Assembly as the Body Shop Area Manager and later transitioned to the Assistant Plant Manager in late 2021. A few of Lisa's key contributions include launching the first V8 A lumpinum Block Line at Romulus. Jaunching the CSD Diseel

contributions include launching the first V8 Aluminum Block Line at Romulus, launching the CSS Diesel Engine at Flint Engine and launching the Bolt EV/EUV and Cruise AVs at Orion Assembly. Throughout her multiple assignments Lisa has been a valued contributor and thoughtful leader. She will be missed all who have had the opportunity to work with her and consider her a colleague and friend. issed by

In retirement, Lisa looks forward to spending time with her 5 siblings, golfing, traveling domestically and rdening.

Effective February 1, 2023, Jeff Roeschke, currently General Assembly Area Manager at Factory ZERO is appointed to the Assistant Plant Manager role at Orion Assembly, replacing Lisa Peters, Jeff will report to Reuben Jones in his new role. Jeff's significant EV launch experience at both Factory ZERO and through a previous role at Orion will be Control of the second secon

Please join us in thanking Lisa for her years of service and congratulating her on her retirement, along with thanking Jeff, Corey, and Yuriy for their contributions and wish them well in their new assignments.

Reuben Jones Plant Director Orion Assembly Cathy Staelgraeve Assistant Plant Manager Factory ZERO

Mark Pervine Manufacturing Executive Director EV/Stamping

Come to the Aux. Café (during break or lunch)!

We will be set up to collect donations for a Cat or Dog tag to display for the fun of it.

We will run Jan 30th - Feb 3rd.

All donations will be used to help purchase animal food and taken to the Oakland County Animal Shelter.

Thank you from the charity event and the from the Animals !

Barbara Brown

EAP/Work Family Representative

SIT DOWN STRIKE CELEBRATION

Come join us in a celebration of this historic event in plant on Wednesday, February 8, 2023 at lunch time.

Column # D-38

"Over 44 days in 1936 and 1937, members of the fledgling United Auto Workers union managed to bring an auto behemoth to its knees in a sit-down strike that became one of the most decisive victories in American labor history. Exhausted by the industry's dangerous demands and sharpened by the Great Depression over 100,000 auto workers changed labor history without picketing their plant. The workers weren't on vacation, They were on strike. Instead of walking out, they simply sat down and refused to leave."
