LETTER TO THE UNION HALL

Below is an email I received yesterday. Please share with your family, friends, and former coworkers!

Holli, thanks to you and your team and Chevrolet for designing and building the best Chevrolets ever. Chevy owner since 1962 and each new one I own reminds me that I have never been dissatisfied with the trucks your members build. Made in America by American labor! Please extend my gratitude to your team for the quality and craftsmanship of each and every product I have owned.

God Bless America and UAW2209!
